SWAYAM SIDDHA (2023-24): THE YEAR IN A GLIMPSE

As the new financial year begins this month, let's pause to glance back at the remarkable journey of 2023-24. The momentum we gained during the second quarter of 2022 has propelled our growth forward, setting the stage for continued good work.

Throughout the year, we dedicated considerable efforts to build our name among individuals and institutions alike. This concerted outreach has not only amplified our visibility but also ensured that our beneficiaries continue to thrive, honing their skills and securing meaningful work and income opportunities.

Moreover, our commitment to operational excellence remained steadfast. We streamlined processes and increased digitalization to enhance efficiency and accessibility.

Our efforts have not gone unnoticed. Our institution, leadership, and members have been honored with multiple awards, a testament to the impact and excellence of our work.

Skill development remained a cornerstone of our mission, exemplified by initiatives like Vishal Kandhare's participation in a designing and greeting card making skilling session.

SWAYAM SIDDHA (2023-24): THE YEAR IN A GLIMPSE (CONTD)

Greeting Card making Skilling session

On the work front, our members experienced a bustling year, participating in 25 exhibitions across diverse avenues. These exhibitions not only showcased our products but also fostered valuable connections and partnerships. Noteworthy was the significant bulk order of 16,000 coconut shell candles by Morgan Stanley through Go-Nuts, a testament to the trust and confidence in our craftsmanship. This has resulted in increased stipends and a better quality of life for our members

Furthermore, our involvement in collaborative events with esteemed organizations such as Air India, MBA Foundation, Giants Welfare Foundation, Rotary Club, and Chatur Ragini Group underscored our commitment to community engagement and collaboration.

As we step into our brand-new center, we are committed to maintaining the momentum and accelerating our efforts. We aspire to expand our beneficiary base, introduce new skill development sessions, and forge partnerships with like-minded nonprofits. Together, let's continue to make a meaningful difference and uplift lives in the year ahead.
