CHEMBUR CENTRE IS FULLY SETUP AND FUNCTIONAL

There is an unspoken happiness in working under one's own roof. The Chembur Swayam Siddha members are experiencing this joy as they have been working in the newly constructed center for the past month. It took the entire month of May to shift existing items, bring in new furniture, and set up the place. From the beginning of June, members have been working here without any hindrance, happily settling in.

The new computer setup is instrumental in organizing the society and streamlining our systems.

We hope to continue working in this beautiful haven for years to come, empowering our beneficiaries and creating beautiful products. The future looks bright, and we are excited for what lies ahead.

- Its work at usual at the new Chembur centre
- Donations by various donors
- Creative Skill development of our members by Summer Intern

EDITOR SPEAKS

This month at Swayam Siddha centers has been calm yet productive. Our Chembur center is now fully operational, with new furniture delighting our members. We're thrilled to welcome Sumit and B to our family. We have had generous donors sponsoring lunches, fruits, and furniture, greatly enhancing our environment.

Additionally, a resourceful and creative intern has joined us, teaching our members painting on various textures including canvas, cloth, and wood. As we settle in, our members are gearing up for the festive season ahead, planning fresh designs and new products. We hope to have a blockbuster sale this year.

We are grateful for the unwavering support and look forward to continuing this journey together.

DONATIONS THIS MONTH

We are immensely grateful for the numerous donations we received this month, including lunches, fruits, a new storage rack, and speakers for our computer. These contributions have not only brightened our days but also enhanced our ability to serve effectively. The nutritious and delicious lunches were thoroughly enjoyed by our members, bringing smiles and satisfaction. Such generous acts allow us to better allocate donor contributions directly to our beneficiaries.

We would like to extend a special thanks to Mr. Shah's family for their extraordinary generosity in sponsoring our lunch. More importantly, their commitment to sponsoring one year's worth of medicines for four of our beneficiaries who require continuous medication is a monumental help. This support ensures the well-being of our beneficiaries, and we cannot express our gratitude enough.

Thank you to all our donors for your unwavering support and kindness. Your contributions are invaluable and deeply appreciated.

CREATIVE SKILL DEVELOPMENT AT OUR CHEMBUR CENTRE

Our members recently had the opportunity to explore new artistic techniques, including painting on various textures such as canvas, wood, and cloth bags. This creative journey brought immense joy to everyone involved as they learned new painting methods and brushwork techniques.

This incredible experience was made possible by our new intern, **Indrani Sant**, a Graphic Designing student from the prestigious MIT, Pune. Indrani's talent and dedication have been truly inspiring. In addition to her skills in graphic design, she is also an exceptional singer and has graciously offered to teach our members a few songs.

We are extremely thankful to Indrani for dedicating her valuable time to volunteer with Swayam Siddha. Her efforts in teaching our members new skills have made a significant impact, and we deeply appreciate her contribution.

TWO NEW MEMBERS JOIN OUR CHEMBUR CENTRE

This month, we are delighted to welcome two new members to our Swayam Siddha family: Sumit and Harshad. Both of them live nearby and have already shown great enthusiasm for being part of our community.

Harshad took a little time to adjust to the new routine, but he now enjoys working with his new friends. He has shown a remarkable talent for making beautiful pearl garlands and ladis. We are thrilled to see his progress and creativity.

We are very happy to grow our family and look forward to the wonderful contributions Sumit and Harshad will bring to our community.
