Not Disabled But Differently Abled

Swayam Siddha Industrial Co-operative Society for Handicapped Ltd.

Editor Speaks

Rains have started lashing in our chosen city of operation - Mumbai. However, relentless rains haven't dampened our spirits. Come rain or shine, our work goes on - our commitment and happiness levels undaunted.

Early this month, a special medical camp for disabled members was held at our Rabale Centre by a distinguished panel of Homeopathic Doctors.

Festivities and celebrations included Guru Purnima Celebrations and Birthday Celebration of our Secretary, Mr. Bharat Rane.

July saw multiple donations and sales orders. As we are approaching the festive season, a number of new products have been launched and our catalog is brimming with new and old products.

We had a skill development session arranged for our members in partnership with Atma Group.

As we enter the festive season, we look forward to fresh orders and increased support from our well-wishers. Your wishes, prayers and donations are what drive us month on month.

Akhila Ramganes

Homeopathy Medical Camp

Reputed Homeopathy Doctors from the famed Dr. Prafull Vijayakar's Homeopathic Research and Development Foundation conducted a free medical camp for physically and mentally challenged children and adults in our Rabale Centre.

The doctors patiently heard the case histories of all the visiting patients and gave them free medicines post the consultation.

The patients were very comfortable in sharing their problems openly as the Doctors were very supportive and encouraging.

We thank the Foundation for partnering with Swayam Siddha for the medical camp and look forward to more such associations.

Guru Poornima Celebrations

This year, the holy day of Guru Poornima was on 3rd July. Like every other year, we had a special puja in our Rabale Centre. On the same day, a donor family had donated Rs. 10,000/- in the loving memory of a family member.

Post the puja, the donors were introduced to all our members through an informal session. Our member 'Vishal Khandare' was felicitated for winning the Best Divyangan Award in Divya Kala Mela.

The celebrations were followed with a sumptuous lunch. Our donors were then given special Swayam Siddha handmade gifts.

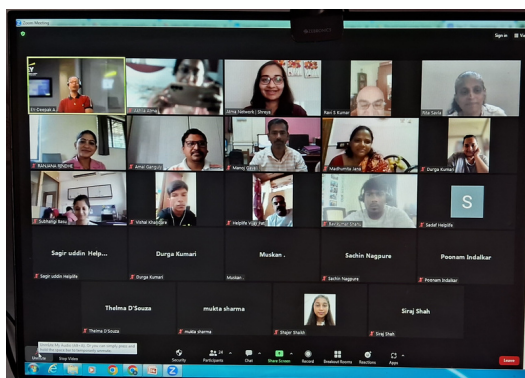

Certication in MS PPT

As an attempt to Digital Skill Development, our member Vishal Khandare attended a 2 day skill development session on 'MS PPT/ Google Slides' conducted by Atma Group. Atma is a social consulting firm which works with various NGOs and assists them in skill development and capacity building.

The 2 day session was in a very-easy-to-understand manner in which the trainers gave many real-life examples of working with PPT. The participants including our member Vishal Khandare were free to pose questions.

The 2 day online learning session helped Vishal learn many new features of PPT building such as adding tables, charts, smart-art and graphics apart from text and images in a presentation.

We are thankful to ATMA for facilitation this free webinar session and look forward to many new learning opportunities.

Grocery Donation

We are lucky to be blessed with generous donors who support us with timely donations. Just as our grocery supplies were running low, an angel in the name of Ms. Brinda Ramanathan volunteered to donate the required groceries for a month.

She and her family visited our Chembur centre on her birthday. They spent an hour or so with us, interacting with our members and also went through our handmade products.

She encouraged our members with her purchases and has promised to return for more. Apart from grocery, her family donated many snacks, cool drinks also to set up a party atmosphere.

We loved having her happy and friendly family over at our Chembur centre and look forward to receiving them again.
